### GDR Patents Valid in 2004 and Change of Ownerships

In Week 2005/08, legal events for patents of the former German Democratic Republic will be added into our PRS database. This information contains all patents that were valid in the year 2004 (including the expiry date) as well as data on the change of ownership.

The codes used for this data are:

IF04	In force in the year 2004
ASS	Change of applicant or owner

All these records will have the PRS date 28.4.2004. This is the date on which these records were sent to the EPO from the German Patent and Trademark Office.
