

Brief and important information for our users

Newsflash 2005/19

14-06-2005 Publication of changes in weekly PRS codes

A new feature specifying the most recent changes in the PRS codes in English (from week 23/2005 onwards) has been added to our download section and will be updated on a weekly basis.

This will enable our users to follow the weekly amendments in the codes of the INPADOC legal status database.
