

Brief and important information for our users

Newsflash 2005/32

28-11-2005 Availability of Austrian Legal Status Data

This is to announce the resumption of Austrian PCT data which had been unavailable since 2004.

The updates from February 2004 will be loaded into the system in week 49/2005.

We are also pleased to announce that AT Utility Model data - entry into the AT national phase will be available for the first time in the INPADOC legal status database from week 49/2005 and will include records from January 2004 onwards.

Below examples in T12 format

```
