09-10-2006 Additional Taiwan legal status data

We are very pleased to announce that from week 42/2006, the revocation of grants in Taiwan will be added to the PRS data.

The data is being sent to us directly from the Intellectual Property Office of Taiwan and will include revocation data from 2000 onwards.

The codes for these events are

MC4A for the revocation of granted patents

MC4K for the revocation of granted utility models
