15-11-2006 French abstracts reload

Owing to the fact that many French language abstracts were either missing or wrong, a big reload of these abstracts will begin from week 46/2006 onwards.

A total of 523.472 documents will be treated. The schedule is as follows:

Week 46 : 23472 documents

Week 47 : 100000 documents

Week 48 : 100000 documents

Week 49 : 100000 documents

Week 50 : 100000 documents

Week 51 : 100000 documents
