Monaco (MC) changes the number format

The Monegasque Patent Office has informed us that they have changed the number formats of the publication numbers from 1.1.2000 onwards. The new series will start with number 200001 (the 2000 in this number has no relation to year 2000).

We will make no change in the kind code, it will remain:

A granted patent
A1 additional certificate
