### EP Correction Documents

In the framework of the implementation of WIPO Standard ST.50 (correction of patent documents) the European Patent Office will introduce two new publication types:

- 1) Re-publication of the modified specification of any A-publication i.e. A1, A2, A3, A4
- 2) Re-publication of the complete specification of an A-document (this applies only to A1 or A2 documents)

The new kind code/s are:

EP A8     modified first page  
EP A9     complete corrected document.
