

IPG - Newsletter 2002/01

New country: Tajikistan (TJ)

We have the pleasure to announce that the 71st country has been included in the INPADOC bibliographic database. The first delivery covers the publication of 1998-11-04.

Tajikistan publishes four different kinds of documents:

- A PATENT APPLICATION
- B PATENT
- A3 REREGISTRATION OF SU PATENT
- U UTILITY MODEL REGISTRATION

By mistake these data have already slipped into our week 4/2002 production. However, we will issue them again in week 6/2002.

Please check next page for examples:
