German Utility Models - Publication Date Problem

From week 49/98 onwards the publication date for German Utility Models (DE-U1) was given in a wrong format; e.g. for DE 29711034 U1 the date 199812 instead of 981210.

We try to fix this problem as quickly as possible. We expect that the correction records can be delivered in week 6/1999.
