From 1992 onwards the Swiss Federal Institut of Intellectual Property has implemented new document codes. These refers to documents issued under WIPO Standard ST. 50 (Corrections) and to annulments and withdrawals of Swiss Patents and European Patents designating Switzerland.

The new Kind of document codes are:

CHC1 PARTIAL WITHDRAWAL OF A CH PATENT
CHC2 ANNULMENT OF A CH PATENT
CHH1 PARTIAL WITHDRAWAL OF A CH/EP PATENT

We plan to include these new document types from week 40/99 onwards.
